

# ADRIAN— MCCLOUGHLIN

I graduated from the Letterkenny Institute of Technology with a Bachelor of Arts Degree in Graphic Design and an Honors Degree in Visual Communication. I am a highly talented, driven, and flexible graphic designer with a proven record of delivering creative and innovative design solutions. I possess a strong ability to develop projects from inception through production to final delivery, ensuring that all work is effective, appropriate, and delivered within an efficient timeframe. I have a keen interest in developing my drawing skills, both technical and freehand. I have exceptional IT skills and am proficient a multitude of software programs including Wordpress, Web Design, Illustrator, Photoshop and InDesign. I am now seeking a graphic design position with an ambitious and innovative company.

I always look to add my own style to all of my work, creating projects that are not only visually appealing but have their own personality. Please feel free to explore examples of my work as included in my Portfolio. Inquiries welcome.
